Clare,

The Department of Corrections (DOC) received your request submitted via the portal on the State of South Dakota website for public records indicating the presence of air conditioning in the housing areas of each adult prison operated by our department, records containing information on the construction finish date of each adult prison building operated by the department and any documentation, including record layouts and code sheets, detailing the structure and design of the records.

An Excel spreadsheet is attached that includes a list of facilities and corresponding addresses as well as information on the offender housing units that have air conditioning and the dates those buildings containing housing units were constructed. Our agency does not maintain a list of the construction finish date of each building operated by our agency.

Sincerely,

Michael Winder
Public Information Officer
South Dakota Department of Corrections
